## NOTICE OF FENCE PROJECT

Dear Homeowner:

On or about September 1, 2017, Fencecrete America, Inc., as contractor for Northtown Municipal Utility District, will begin removing portions of the existing District fence located along Wells Branch Parkway, Tudor House Road, and the District's park/greenbelt property near your home and replacing it with a new precast concrete fence and/or iron fence as depicted on the plan attached to this letter.

The fence replacement project is anticipated to take approximately 4 months to complete, barring any unforeseen problems or weather delays.

Of course, we will make every effort to cause you as little inconvenience as possible, and your patience is very much appreciated.

Please do not hesitate to contact Doug from Fencecrete America at 512-219-7799 if you have any questions or concerns.

Sincerely,

Northtown Municipal Utility District
