

RECYCLING GUIDELINES

HOW TO RECYCLE

- Place all recyclable items in your TDS recycle bin. We will not service other containers
- Rinse out recyclable items and place the lids in the garbage.
- Crush cans and plastic containers to allow for more items in the recycle bin and avoid overflowing.
- Place paper products on top of the other items in the bin.
- Place your recycle bin at the curb by 7:00 a.m. on your service day.
- Place your recycle bin at least 3 feet away from your trash cart.
- Avoid an overflowing recycle bin on pick-up day.

On windy days, place a brick or other heavy object on top of your paper products.

Note: We do not recycle wet paper. It will not be accepted on rainy days.

Non-recyclable items will be left in the bin after collection.

Please be a good neighbor and consult your **Recycling Guidelines** when in doubt.

WHAT TO RECYCLE

PLASTIC

Water, soda, juice bottles (any drink bottles) • Milk jugs • Detergent Bottles • Colored Plastics

Only plastic marked with #1 thru #5 and #7 will be accepted. (Plastic marked #6 and Styrofoam will not be accepted.)

METAL

Aluminum cans (soda, beer, etc.) • Tin & steel cans (soup, tuna, etc.)

GLASS

Bottles & Jars • All colored glass will be accepted. (Broken glass will not be accepted.)

The above items must be rinsed out and placed in the recycling bin with all other recyclables.

PAPER

Newspapers & inserts • Junk mail & envelopes • Home office paper • Magazines & catalogs

Cardboard boxes will not be accepted. Paper products will not be accepted on rainy days. Paper must be kept separate from other recyclable items in the bin. Place newspapers on the top of the bin. Do not use plastic bags! Bags containing papers will not be picked up because the recycling centers consider them to be contaminated.
